**My pals (a husband and wife team) are riding in the BP 150, a bicycle race to benefit the Lone Star chapter of the Multiple Sclerosis society, over Patriot's Day weekend. They did it last year; it was actually 182 miles (!) over two days, and it was from Houston to Austin.**

**Do I send them a few dollars to put in their cups (to go along with their aching muscles)? You bet I do! I get tired just thinking about it.**

**Enjoy the quiet.....**

**Right. I have some friends in Houston and Ennis (right outside Dallas/Ft. Worth), but no one is really close to San Antonio, so I didn't bother giving Jen their contact info. Compared to Mass., Texas is \*\*huge!\*\***

**Jen, Julie and Pete are going and will be gone all week; you can take it a bit easy! ☺**
